

CAPE EXPLORER

What can you expect?

Our Southbound Route has been designed to allow you the opportunity to truly experience this remarkable destination, and the collection of unique towns and attractions that dot the route. This is not the direct route to Cape Town - purely because we believe there is more to riding to Cape Town than the usual N1.

It includes time to experience the beauty of Bloemfontein and the silence and unique character of the Camdeboo and Little Karoo. We take you along some of the most incredible coastal rides available, and you have adequate opportunity to explore the 'Cape'. Our optional return ride takes us a little inland to take full advantage of the high number of passes and scenic attractions this truly wonderful route has to offer.

Day 3

After breakfast, we continue our ride south through the Karoo and towns like Aberdeen and Willowmore before reaching and passing over the Baviaanskloof. We now enter the cooler and truly amazing Garden Route at Uniondale and on to our next overnight stop in the magical town of Knysna.

Day 4

Today we will spend the day in-and-around Knysna, experiencing everything this town has to offer. Various optional activities will be on offer.

Day 5

From Knysna, we travel along the coast to Mossel Bay before heading back inland to Oudsthoorn and then to the towns of Calitzdorp, Barrydale and Montague, along some of the incredible passes through the mountains. We stop for the night at hot spa town of Montague.

Day 6

Day six starts with a glorious ride from Montague, over the mountains back to the coast for a stop at Cape Agulhas. We then take the coastal route to our next overnight stop at Hermanus where we have an opportunity to do some whale watching.

Day 7

Today we travel perhaps the most incredible coastal road in South Africa from Hermanus through Kleinmond and Rooi Els, to the seaside town of Gordon's Bay. After a brief stop, we then head to the wine 'capital' of Stellenbosch where we spend the rest of the day and evening exploring and relaxing.

Day 8

After breakfast, we leave Stellenbosch and travel to the town of Franschhoek, visiting some of the sights and a wine estate or two. After lunch in the Franschhoek valley, we head towards the town of Paarl and on to Cape Town via the N1. We arrive in the late afternoon at our accommodation in the V&A Waterfront.

Day 9

This is the last day of our trip, and the optional opportunity to explore Cape Town and its environs by motorcycle. We will ride through the Atlantic seaboard area; visit Hout Bay; ride Chapman's Peak and visit Cape Point Nature Reserve before returning via the False Bay coastline and towns such as Simonstown, Fish Hoek and Kalk Bay.

*While every effort is made to ensure that all the major (and some less known) attractions are visited, operational, time and local conditions may require alterations to our schedule.
